Volume 12, June, 1994

# PRINCIPAL'S MESSAGE

Term 2 is a very busy one in the life of any school, but at Cabramatta it will be especially hectic. I anticipate that both the internal repairs and painting, and the new facilities for Home Economics and Industrial Arts will all be completed by the end of term. While this has led to considerable organisational change, it has not disrupted student learning which is a tribute to both the students and staff, and I thank everyone for their co-operation. We will go into Term 3 with a smart, fresh appearance, and one which reflects far better the quality of what happens in the school.

I was pleased to see many parents attend the Year 12 Parent/Teacher evening and hope to meet many more of you at the meetings planned for the other Years. We are in the business of education together, and it is essential that parents take the opportunity to discuss the progress of their children with us.

The time is fast approaching when Year 10 students will be selecting courses for the Senior School. We offer a vast array of courses, catering both for students who are seeking entry to a university and those who wish to enter the workforce or continue their study at a college of TAFE. It is important that parents take the time to discuss this in detail with their children rather than leaving all

the decisions to them alone. It is also vital that this discussion is realistic. It is a fact that only 30% of students studying for the HSC across the state are successful in gaining university entry, and yet most students still opt for courses of study which relate to university entry, although this pattern is gradually changing in our school where more options are available than in many other schools. We have a considerable number of students studying TAFE and accredited courses as part of their HSC, and we intend to expand this pathway while maintaining more traditional course patterns for students whose career choice demands university entry. Year 10 will be attending several meetings throughout the year so that they may make informed decisions about the course to take which will be personally satisfying and challenging, as well as providing access to an appropriate career.

I am proud to be associated with this school as I believe it provides excellent educational opportunities for students of all interests and ability levels. These opportunities are offered in an atmosphere of peace and co-operation, very unlike what we so often read in the press. The School Mission statement – “Our students are our main concern” – is not just a set of words, but a reality.

*D. MacKenzie*

第二学期在任何学校都是非常繁忙的学期,在Cabramatta中学,更是如此。家政和工业艺术教研组的内部装修和粉刷预计期末可完工。施工期间虽然有许多组织变化,但学生的学习没有受任何影响。这归功于学生和教师的努力。我感谢大家这一完美的合作。我们将以全新的面目进入第三学期,它更好地反映了我们的教学质量。

我很高兴见到许多参加十二年級家長/教師晚會的家長們。希望能在以後的會議上見到更多的家長們。家長和教師共同面對教育孩子的任務。家長可以利用這些機會同我們討論他們的孩子的學習情況。這是進行這一教育任務的根本。

很快就要到十年級學生選擇高中科目的時候了。我提供科目廣泛,既照顧到打算進大學深造的學生,也照顧到想畢業後就讀或在技術學院(TAFE)就讀的學生。家長要在些時間同孩子們詳細談談,而不要由孩子們自己決定。同時也要注意要實事求是。現實情況是全年參加高中畢業考試的十二年級學生中已有30%的學生達到大學入取分,但是大多數學生還是選修了與進大學有關的科目。不過這一情況正在逐漸改變。我校比其他學校有更大的選擇余地。不少學生學習技術學院的科目及高中畢業文憑(HSC)認可的有關科目。我們打算擴大這一選擇面,同時為想進大學的學生保留傳統科目。十年級學生將參加一些會議,以便讓他們在科目選擇上做出了解透徹的決定。這可以使他們在以後的日子裡感到舒心,也可面對所選職業的挑戰。

作為這一學校的一員我感到自豪,因為我相信它為所有不同興趣和水平的學生提供了良好的受教育機會。這些機會是在平靜和合作的氣氛中提供的,大大不同於新聞媒介所說的。我校宗旨“我們最關心的是我們的学生”不只是一句空話,而是一個事實。

# SCHOOL COUNCIL

Học kỳ 2 là học kỳ rất bận rộn trong sinh hoạt của bất cứ trường học nào, nhưng tại Trường Trung học Cabramatta, các sinh hoạt trong trường cũng đặc biệt rất là bận rộn, sôi nổi. Tôi dự tính rằng cả hai việc sửa chữa bên trong, sơn mới và trang bị các dụng cụ mới cho môn Kinh tế Gia đình và Vẽ Kỹ Nghệ tất cả sẽ được hoàn tất vào cuối học kỳ này. Trong khi có sự thay đổi về tổ chức, nhưng cũng không làm gián đoạn việc học của các em học sinh là do sự đóng góp của cả hai các em học sinh và các nhân viên nhà trường và tôi cũng thành thật cảm ơn tất cả mọi người đã hợp tác với nhau. Chúng ta sẽ bước vào học kỳ 3 với bề ngoài sáng sủa và mới mẻ và sự thay đổi này phản ánh cho thấy tốt đẹp hơn về phẩm chất của những gì đang xảy ra trong trường.

Tôi rất mong muốn được gặp nhiều phụ huynh tham dự vào buổi tối Phụ huynh/Giáo viên của Lớp 12 và tôi cũng hy vọng gặp thêm nhiều phụ huynh vào các buổi họp đã được đề ra cho các Lớp khác. Chúng ta cùng nhau quan tâm về vấn đề giáo dục và điều cần thiết rằng là các phụ huynh nhân cơ hội này để thảo luận về việc tiến bộ của con quý vị với chúng tôi.

Thời gian đến rất nhanh khi các em học sinh Lớp 10 sẽ chọn các môn học cho Lớp Dự Bị Cấp. Nhà trường cung cấp nhiều môn học, phục vụ cả hai cho các em học sinh nào muốn vào đại học và cho các em nào muốn ra làm việc hay tiếp tục việc học của các em tại trường Cao đẳng TAFE. Điều quan trọng rằng các phụ huynh nên để dành thì giờ để thảo luận chi tiết vấn đề này với con của quý vị hơn là để cho chúng hoàn toàn tự quyết định hết tất cả. Và điều cũng quan trọng rằng việc thảo luận này là thực tế. Sự thật rằng chỉ có 30% của các em học sinh học thi Tốt nghiệp Bắc Trung học trong Tiểu bang là thành công trong việc được vào đại học và hình như hầu hết các em học sinh vẫn chọn các môn học có liên hệ để vào đại học, nhưng vấn đề này ở trong trường của chúng ta từ từ thay đổi, mà ở tại trường này các em học sinh có nhiều chọn lựa hơn những trường khác. Nhà trường có một số lượng lớn các em học sinh đang học trường TAFE và các môn học được công nhận như là một phần trong chương trình học thi lấy Bằng Tốt Nghiệp Bắc Trung Học và nhà trường dự tính mở rộng lối đi này trong khi vẫn duy trì các mẫu môn học cũ để cho các em học sinh nào chọn nghề nghiệp mà cần phải có học đại học. Các em học sinh Lớp 10 sẽ tham dự nhiều buổi họp trong năm, để các em có thể biết mà quyết định rõ ràng về cách chọn các môn học, mà việc này sẽ làm cho cá nhân các em được thỏa mãn và thích thú cũng như cung cấp việc lựa chọn thích hợp nghề nghiệp.

Tôi rất lấy làm hãnh diện có quan hệ với trường này, như là tôi tin rằng trường này cung cấp nhiều cơ hội tốt nhất cho các em học sinh trong tất cả ý muốn và các trình độ khả năng của các em. Các cơ hội này được đưa ra trong sự thân mật và hợp tác, chứ không giống như chúng ta thường đọc trong báo chí. Nhiệm vụ của Nhà Trường được xác định rằng: "Điều quan tâm chính yếu của chúng ta là các em học sinh của chúng ta" - đây không phải chỉ là lời nói suông mà là lời nói sự thật.

D. I. MacKenzie  
Hiệu trưởng

## *Summary of the Minutes of the Meeting of the 21st of March, 1994.*

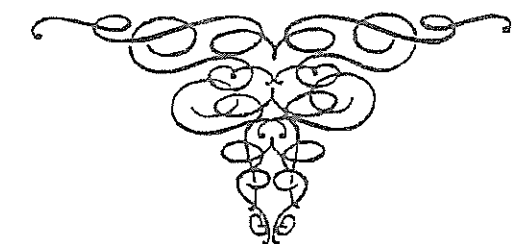

- \* Letter from the RTA concerning fences on Cabramatta Road.
- \* Letter from Budget Committee to place a submission on behalf of the School Council.
- \* Letter about Workshop for Parents.
- \* Letter to Mr Loader thanking him for his work at Cabramatta HS.
- \* Mr Musson reports that parent representatives were re-elected.
- \* Students are now more responsible for their own attendance.
- \* Thanks to Mrs Coombes for organizing Mr Loader's farewell.
- \* New side fence quotes soon. Signs to be erected at school boundaries.
- \* Mugs purchased to promote the school.
- \* Mrs Grace Ngo congratulated on her CLO appointment.
- \* DSC Parent Initiative: \$2,000 for library books.
- \* Advice on budget progress.
- \* First Aid Day thanks to Mrs Coombes.
- \* Lecture Theatre to be operational 26th April.
- \* School Management Plan to be examined next meeting.
- \* P.E. to be asked about safety precautions at outside venues.
- \* Canteen Policy to be formulated along the lines of Semi-Health Canteen for Term III. Mrs Perik, Health Studies rep., Senior Exec. member, SRC member, and possible parent member to formulate.
- \* CHS Policies outlined by Mrs Coombes: Attendance; Redtime; Library Information Booklet; Exam Reports and Reference; Students at Risk; Uniform; Awards and Award Ceremony; Driver Education; Tutorials for Year 11 and 12; Study Assistance.
- \* Other policies for 1994: Canteen Policy;

Student Welfare (Revised); Aboriginal Education; Environment.

- \* Mrs Schmidt's work for the Chess Club was acknowledged. Mr Birkett's retirement noted – SC rep. to attend morning tea.

## *Summary of the Minutes of the Meeting of the 12th of May, 1994*

- \* Council toured Lecture Theatre.
- \* Quotes for new fences \$3,500 – \$6,500: DSE and PWD installing some fencing. PE approached about pool safety. Mrs Perik approached about Canteen Policy. Next School Development Day 21st Oct. in conjunction with Canley Vale HS: student outcomes.
- \* Four people appointed as AST's for curriculum.
- \* Computer grant of \$11,300 to upgrade computer room. Apple/E's to be moved to T3, mainly for IEC student use.
- \* Grounds being improved.
- \* School Fees below Minister's maximum of \$56. Subject fees are charged above that. Only 60 % of fees collected so far. Council unanimously endorses sending of invoice for outstanding fees with explanatory message. Austudy students are obliged to pay fees.
- \* Management Plan was distributed and explained.
- \* Hot water for students to be investigated.
- \* School Council Photo to be taken.
- \* Absence of parent member noted – parent to be contacted.

# CHS IEC

Cabramatta High School Intensive English Centre (IEC) was set up in 1979 to support migrant and refugee students of secondary school age in their first few months of arrival in Australia. Currently students come from Bosnia, Cambodia, Croatia, The Czech Republic, Hong Kong, Serbia, and Vietnam.

The IEC has an important social and educational function and focus. Re-settlement in a new country is not as simple as getting on a plane and arriving in Australia. There are any number of difficulties and needs —

- \* Housing,
- \* New Relationships,
- \* Loss of familiar surroundings and friends and close family members,
- \* Learning a new language and understanding a new culture,
- \* Cultural expectations.

We are one of the larger faculties of the school. Currently there are nine classes and 107 students. There are 14 teachers including a Head Teacher, a counsellor, a Secretary and 6 Teachers' Aids (Ethnic) who offer L1 support in Assyrian and Arabic, Chinese, Khmer, Spanish/Portuguese, and Vietnamese. Our Teachers' Aids have a vital role in communicating with parents / care givers, and assisting students in the classroom and in general matters.

We have a number of specialist programs: Health and Dental screening and follow-up; a Welfare program run by our Migrant Counsellor for all new students; and Literacy Programs.

Students usually remain in the IEC for an average of nine months before moving on to mainstream High School or other specialist English Courses such as AMES or TAFE.

As students develop their English language skills, they study a wider range of subjects from the Key Learning Areas, such as History / Geography, Commerce, and Computer Studies. Students at all levels study English, Science, Health Studies, PE

and Sport.

Life at Cabramatta High School and especially in the IEC is an enjoyable and rewarding experience.

*Part of the IEC complex at Cabramatta High School*

## Opportunity for Senior Students

Students at Cabramatta High School will benefit greatly from a new "Tutorial" program, which has been introduced to senior students to supplement their studies.

This means that in addition to their regular classes, senior students now have the opportunity to revise topics and get extra help in their subjects. Students choose to attend these tutorials in their free periods or lunchtime.

Tutorials being offered are: Physics, Chemistry, Biology, Science for Life, Geography, Art, Music, Ancient and Modern History, Essay Writing and Grammar. Occasional Tutorials will be offered in Legal Studies, Business Studies, and Economics during Terms II and III.

## Parents Go Back to School

On Wednesday the 11th of May, Parents of Year 7 students were invited to a Year 7 Information Night for Mathematics, and Human Society and Its' Environment (HSIE.) Teachers from these faculties invited parents to experience lessons to show parents how students are learning today.

Parents were pleasantly surprised at the interesting and enjoyable way lessons are taught.

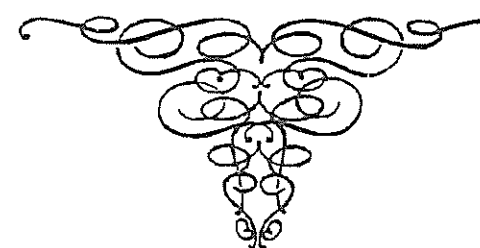

Comments from parents included:

"I am actually understanding maths" and  
"Why weren't our lessons like this?"

It was disappointing to see an overall lack of attendance, perhaps the cold weather kept parents indoors. To those parents who attended, thank you for supporting your child.

Thanks go to the teachers who organised and conducted the evening: Mrs Atchison, Mr Beuzeville, Ms Bulmer, Ms Geary, Ms Kougelos, Ms Kurovsky, Ms Simpson, and Mr Skene.

At the time of the printing of the previous issue of CabraMatters, we were unaware of the Maths and HSIE Information Night dates and times — we apologise for not informing parents of this important community function through our pages.

Come see Cabramatta

EVER wished you could travel around the world without winning the lottery? Boy, have I got something to tell you!

In Cabramatta you can be around the world without spending a fortune because Cabramatta is a multicultural society where you can find all sorts of shops you've never dreamed you could find here in Australia.

Don't worry about rumors — it's not true and to find out, come and see for yourself.

Cabramatta is the place to be to get rid of your boredom. This is where you can shop, shop, shop until you drop, drop, drop.

All shops are open seven days a week.

There are lots of material shops to choose from and gift shops as well.

After a day in Cabra you won't want to go home and cook, so why not try some Asian foods in our restaurants?

You name it and we have got it.

If you don't like Asian food, there is takeaway chicken and chips.

Chinese New Year is celebrated and the celebrations in Cabramatta are so well known, they are placed in the tourist calendar.

People come just to see Cabramatta celebrate Chinese New Year — not to China, not to Hong Kong, but here in Cabra.

Emily Ya, Year 10  
Cabramatta High School

## Excitement centre

IF you overlook all the violence, gangs and thefts etc in Cabramatta you will find a place more exciting than you've ever imagined.

Once you set foot in this interesting and unique suburb you will think you've just been magically transported to somewhere in Asia.

You will find shops and businesses located only in Cabramatta and nowhere else. You can taste foods from all Asian countries.

All this and you will get to meet a wide variety of Asian people. You will hear many types of languages.

Not only do people come to Cabramatta — a well known tourist place — to see it's unique and wonderful structures, but also to shop.

If you don't find the type of material you want in one shop don't panic, there are dozens more just down the street. You will also find many types of bread shops, clothes shops, bargain shops and restaurants. Cabramatta — there is a lot more to it than you thought.

Judie Tran — Yr 10  
Cabramatta High School

# STAFF NEWS

It was the end of an era when long serving teacher, Mr Alan Birkett retired after 23 years of service at Cabramatta High School. Alan was involved in many areas of the school. He was known for his patient teaching style as a teacher of Industrial Arts where he managed to bring out the best in even the most difficult student. Alan was also involved in the administration of the school finances and accounts, the hiring of the hall after school hours and had numerous other responsibilities. We wish Alan and his wife well in their move to the country.

## Congratulations!

Congratulations to Mrs D. Davidson and her husband on the birth of their first child, a baby boy, whom they have named Oliver. We look forward to seeing Mrs Davidson return to school after her maternity leave.

Mrs V. Mastellone of the Mathematics Faculty has taken Maternity leave.

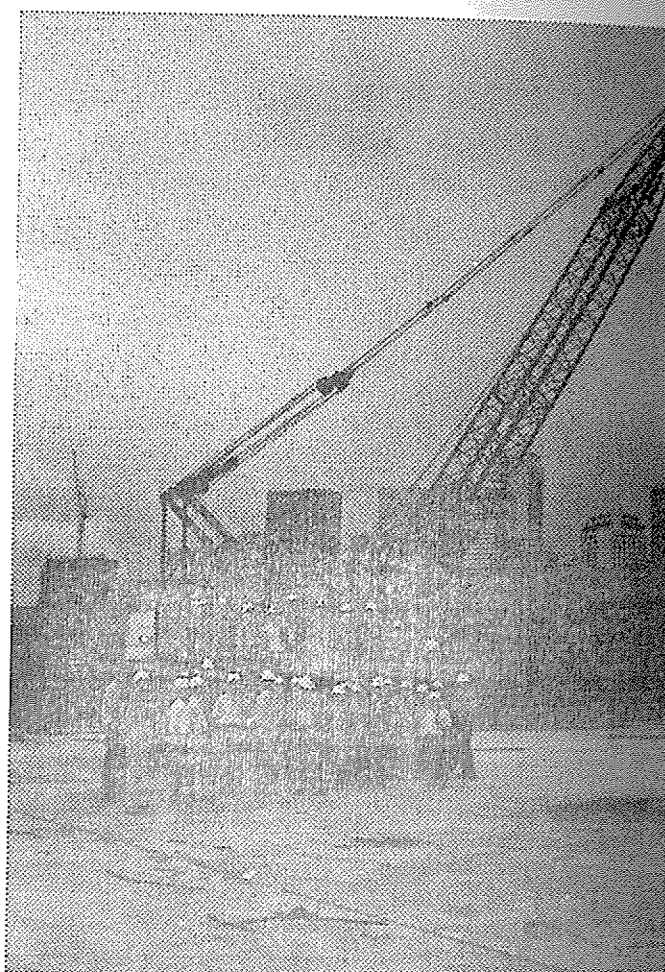

Ms Betty Duran who has been working in ESL is now working in another school.

# English Classes for Parents

Parents of students from Cabramatta High School are invited to join our English Class for parents. The class is held every Tuesday from 1pm to 3pm. Mrs L. Nguyen, a teacher of ESL, teaches parents English for Living skills. The lessons are **FREE** and if parents would like to join the class, they can ring Mrs Grace Ngo on Mondays on 726 2424, or come to the school office on Tuesdays at 1p.m.

# Eng. Sci. Excursion

Engineering Science students were the first High School students to visit the Pymont Ultimo project, which involves the construction of a Casino, public housing and a light rail system. This construction is being carried out by the City West Development Corporation and will take 20 years to complete. Students saw first hand the practical application of engineering science which will help them with their lessons at school

*Students are pictured viewing a bridge and a pile deck construction for parklands and water frontage.*

Debating an issue... The Cabramatta High School junior debating team  
Tatjana Cupac, Alyona Markovtzev and Felicity Pearce

# Lee looks for a win

TABLE tennis player Lee Ngov of Cabramatta High School, will be eager to take out his second championship within a month when he plays for his school tomorrow.

Lee, a Year 9 student, recently won the NSW Combined High Schools under-16 singles championship.

Tomorrow he plays for Cabramatta High against neighbors Canley Vale in the final of the metropolitan south-west championships.

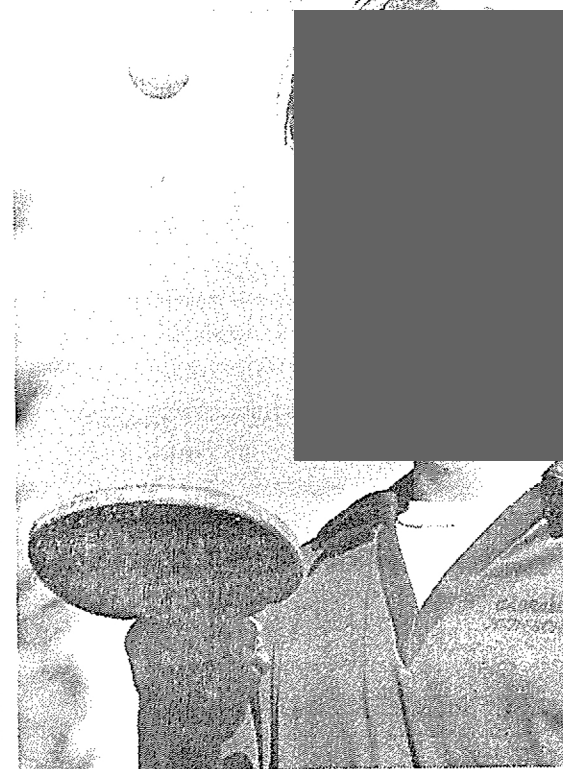

The winner will represent the region later this year in the NSW CHS titles.

Lee has been playing table tennis for only two years. He practises daily with his brother Dennis, 18, who also plays for Cabramatta High.

Dennis reached the quarter-finals of the NSW CHS championships.

The regional final will be played at 1.30pm tomorrow at Fairfield Police Citizens Youth Club at Cabramatta.

Both Ngov boys are self-taught players and do not receive any coaching.

On a mission... Lee Ngov competing for singles titles

# School set to prove oratory

THE race is on again for the 1994 Commonwealth Bank junior and senior debating competition.

Cabramatta High School is just one school gearing up to compete in the competition.

Both competitions, in their eleventh year of sponsorships with the Commonwealth Bank, are conducted by the School Education Department.

Open to all government schools, students up to Yr 10 will compete for the Teasdale Cup in the junior competition and students in both government and non-government schools will be in the running for the David Verso Trophy in the senior competition.

Other local schools in the region which will compete include Westfield Sports High School and Fairvale High School.

Cabramatta High School principal Dennis MacKenzie, who chairs the state debating and public speaking executive committee, said debating and public speaking was something the department encouraged.

Mr MacKenzie said debating helped develop personal confidence and enhance language skills in students.

"Self esteem is so important in terms of everything we do in life," he said.

"It is good for people to take a point of view and argue it rationally and intelligently."

"The department is pushing this sort of competition because it sees the importance of oral language skills," Mr MacKenzie said.

# SPORT

## School Swimming Carnival

All of those who attended the Swimming Carnival, including staff and students, had a most enjoyable day. The highlight of the day would have to have been the staff relay team "the awesome foursome", "the green machine" amazing everyone with their speed, convincingly winning the relay. The junior girls team of Irene Palmer, Amy O'Donnell, Susan Pham, and Betty Alavanja was second.

Although the number of competitors was rather disappointing there were some top performances from some students:

**Amy O'Donnell** (12 years girl age champion)

**Irene Palmer** (Year 7)

**Betty Alavanja** (13 years girl age champion)

**Esther Atuatika** (14 years girl age champion)

**Daniel Potter** (12 years boy age champion)

**Deyan Toskoski** (13 years boy age champion)

**Brendan Gronow** (Year 8)

**Yan Liu** (14 years boy age champion)

**Daniel Brennan** (15 years boy age champion)

All of these junior students performed outstandingly, perhaps next year we will see a few more senior students getting out there and having a go.

## Zone Swimming Carnival

On the 4th of March at the Zone Carnival, Cabramatta High School had only 17 competitors. This was a very disappointing turn out; however, outstanding performances from **Esther Atuatika**, **Jimmy Kuoch**, **Amy O'Donnell** (Girls 12 years Zone age champion) and **Michael O'Donnell** (Boys 16 years Zone runner up age champion) gained positions in the Bernera Zone team to compete at the Regional Championships held at Campbelltown Pool on the 9th and 10th of March. **Daniel Potter** of Year 7 also performed outstandingly, gaining the 12 years boys runner up age champion.

## Regional Swimming Carnival

**Michael O'Donnell** (Year 11) and **Amy O'Donnell** (Year 7) both represented Cabramatta High School and Bernera Zone at the Metropolitan South West Regional Carnival. Both Michael and Amy competed at a high level and have achieved excellent results for Cabramatta High School.

Congratulations on a great effort!

## School Cross Country

The School Cross Country was held on Wednesday the 4th of May. All students and staff had an enjoyable day and the cross country was a great success. Points were awarded for finishing in the first 10 places in an age group, as well as for novelty events: the Tug o' War, Relays, Three Legged Race, Captain Ball, and Over and Under. The outcomes were very close all day, but Bradman was the victor with 327 points, followed closely in equal second place by Mackay and Strickland, with Frazer finishing 4th.

The day finished with a presentation made to the age champions and runners up, as well as the fastest boy and girl in the school. Trophies were presented to these students by their house captains.

### EVENT AGE CHAMP. RUNNER UP

12y girls	Irene Palmer	Marcella Herrera
12y boys	Tung Ngo	Marin Bugarija
13y girls	Bozena Skoric	Rhonda Burr
13y boys	Jimmy Kuoch	Craig Read
14y girls	Tanja Poletan	Sokli Tang
14y boys	Than Lich Phan	Khong Keo Luangrath
15y girls	Aneth Sen	Giang Dang
15y boys	John Palmer	Minh Duy Cao
16y girls	Sladjana Kupresak	Alexandra Milenkovic
16y boys	Khai Chinh Yip	Le Minh Tan
17y girls	Megjida Begaj	Tu Phi Thai
17y boys	Carlos Rivas	Jose Alarcon
Fastest Girl: <b>Aneth Sen, Sladjana Kupresak</b>		
Fastest Boy: <b>Carlos Rivas, Jose Alarcon</b>		

## Zone Cross Country

All Cabramatta High School students represented our school in an excellent manner. Cabramatta HS finished 4th — such were the efforts of our representatives. This was a big improvement over the 1993 results, despite the fact that no seniors competed.

We had outstanding individual performances and fifteen students finished in the top 10 places, and will be representing the Zone and School at the Regional level. These students were **Marin Bugarija, Irene Palmer, Carlos Pleitez, Jimmy Kuoch, Craig Read, Bozena Skoric, Mevlyde Begaj, Khong Keo Luangrath, Aneth Sen, Karolina Nesporva, Sefedin Begaj, John Palmer, Susan Pham, Linde Tbao and Natasa Crnovic.**

## Zone Selections

As well as having our swimmers and cross country runners selected in zone teams, other students have also been selected in other sports:

**Susan Phan** for Basketball

**Nelson Lim, Carlos Rivas, Davis Alvarez, John Celik, David Petrovic, and Anb Kiet Duong** for Soccer

**Sladjana Kupresak** for Tennis

**Utu Peni** for Volleyball

## Regional Selections

The following students have gone on to represent the South West Region:

**John Celik** and **Davis Alvarez** for Soccer

**Ua Saipaia** for Rugby Union

**Utu Peni** for Volleyball

**Sladjana Kupresak** for Tennis

Open Boys Knockout Table Tennis team has reached the Regional Final in the Combined High Schools State Knockout.

## State Champion

**Lee Ngov** is the Under 16's NSW Combined High Schools champion in Table Tennis.

Congratulations to all of these outstanding representatives of Cabramatta High School.

# SRC

## Up & Coming Events

Well, it's going to be a busy term. We've just had photos taken (I hope everyone smiled), the Cross Country Carnival is coming up (so get those legs moving) and your SRC will be holding another terrific dance party but no date has yet been set.

## SRC Fundraising

This year, Cabramatta High School's SRC will choose four major charities that it would like to sponsor. So far it has chosen World Vision. It is still deciding on the other three charities.

In April we sold Bandaged Bears for the Children's Hospital — this was a success. We raised \$300, thanks to the support and generosity of the students of Cabramatta High School.

The SRC has donated \$348 to World Vision. \$133 of this money was raised at a BBQ the SRC organised. Special thanks to our cook, Mr Alfonsi and other staff members, and of course, who could forget the SRC members helping hand.

\$200 will sponsor a Snow Leopard at Taronga Park Zoo. This money will help the Zoo provide food to raise this lovable animal. This money will be raised and organised by the fundraising committee, which includes a staff member, Miss Constantinidis.

## SRC Report on Sport

Although it has only been two terms, our school has been involved in a lot of sports. We have had a lot of sport knockouts such as the Under 15's and Open Boys Soccer, not to mention the Girls Knockout Soccer team.

Coming up in sports for Cabramatta High will be the Athletic and Cross Country Carnivals, and for the real athletes out there, the Zone and Regional Cross Country and Athletics Carnivals will be held soon. For next term, Year 7 and Year 8 are having swimming lessons as well as a Gala Day.

# Community Calendar for Term III

Wednesday, 27th July:

Beyond Year 10 final selections

Wednesday, 27th July:

Year 10 Last Reference Test

Thursday, 4th August:

School Council Meeting, 6.30–8.30pm

Monday, 8th August to Friday, 19th August:

Trial HSC Examinations

Monday, 22nd August to Thursday, 1st September:

Year 11 Final Exams

Thursday, 1st September:

School Council Meeting, 6.30–8.30pm

Wednesday, 7th September:

Drug Education Night, 4.00–8.00pm

Friday, 16th September:

Co-operation Day
